

WARRANTY

LIMITED WARRANTY YIELDMASTER SERIES RUBBER TRACK Agricultural Usage

Effective Date: Product produced on or after May 1st 2013

Eligibility

Original owner of new YIELDMASTER parts service track and purchased through an authorized YIELDMASTER aftermarket dealer.

Coverage

YIELDMASTER agricultural track is warranted, from date of purchase to 48 months or 4000 hours for friction drive tracks, 48 months or 2000 hours for positive drive tractor tracks, and 2 years or 1000 hours for positive drive combine tracks, as shown on the Customer Participation Charts, against defects in materials or workmanship. YIELDMASTER track that becomes unserviceable as a result of a defect in materials or workmanship, as determined by manufacturer, will be replaced, or allowance will be given towards purchase of replacement YIELDMASTER track, at manufacturer's choice.

Excluded from Coverage

- Track manufactured more than 60 months prior to warranty request
- Usage in non-agricultural (commercial construction, scraper) applications
- Usage with cast slotted drivewheels (CSD) on Cat 65-95 Series
- Rapid wear or damage caused by extended transport operations
- Remanufactured track
- Failure or damage resulting from abuse, misuse, negligence, alteration, accident, field or road hazard or stubble damage, overload, mismatching of adjacent tracks, misapplication, use of non-OEM undercarriage components, or poor mechanical condition, maintenance or adjustment
- Cosmetic defects, such as surface cracks, splits and other superficial distress that may impact track appearance but does not render the track unusable or measurably diminish overall life
- Usage, installation, or adjustment which manufacturer judges improper

Owner Obligations

- Giving notice of failure within applicable warranty period and providing valid proof of purchase
- Transportation cost to warranty service location
- Removal and Installation costs and taxes
- Freight charges if applicable
- Undercarriage components properly maintained and adjusted

Customer Participation Charts

Powered Friction Drive Systems (All)*

AGRICULTURAL SERVICE	Months of Service			
	0-12	13-24	25-36	37-48
Customer Portion	0%	40%	60%	80%

* Limited to 4000 hours and at least 25 mm (1 in) of remaining tread height.

Positive Drive Systems - Tractors**

AGRICULTURAL SERVICE	Months of Service			
	0-12	13-24	25-36	37-48
Customer Portion	0%	40%	60%	80%

** Limited to 2000 hours and at least 25 mm (1 in) of remaining tread height

Positive Drive Systems - Combines and Other*** Non Powered Track Systems - All

AGRICULTURAL SERVICE	Months of Service			
	0-12	13-15	16-18	19-24
Customer Portion	0%	40%	60%	80%

*** Limited to 1000 hours and at least 25mm (1 in) of remaining tread height
No hour limit and at least 12mm (0.5 in) of remaining tread height

NOTE: If months of service are unknown, manufacturing date will be used

Prorated Replacement

Months of service is defined as the time from track sale date to the actual track replacement date. To determine the replacement price, the appropriate pro rata percentage from the customer participation chart is multiplied by the current list price.

Replacement Track Warranty Period

Track replaced due to a defect in materials and workmanship during the original track warranty period, and customer participation is less than or equal to 50%, the replacement track warranty period is limited to the remainder of the original track warranty period. Otherwise, the replacement track will carry a full new track warranty.

Other Conditions

Appropriate taxes, mounting, or other service charges may be added by dealer to the total customer replacement cost. Manufacturer may recall any warranty track, require disabling of the warranty track to preclude further use, or require evidence replacement track was sourced from Manufacturer, as a condition for claim reimbursement. For additional details, see your Yieldmaster dealer.

WARRANTY

Legal Rights

These warranties are in lieu of any other representations, warranties or conditions, express or implied, including any warranty of merchantability and fitness for a particular purpose. Camso's liability and purchaser's sole remedy, whether in Contract, under any warranty, in tort (including negligence), in Strict liability or otherwise shall be limited to the replacement of the tracks on a prorated basis per chart as stated on the Front side hereof. Under no circumstances shall Camso be liable for any special, incidental, indirect or consequential damages, including, but not limited to, personal injury, property damage, damage or loss of equipment, lost profits or revenue, costs of renting replacements and other additional expenses, even if camso has been advised of the possibility of such damages.

In the event the above limitations or exclusions are not applicable, Camso liability and purchaser's exclusive remedy will be limited to payment by Camso of actual damages not to exceed amount paid for the track. If otherwise applicable, the vienna convention (contracts for the international sale of goods) is excluded in its entirety.

Certain jurisdictions do not allow the limitation or exclusion of incidental or consequential damages, or limitation on how long an implied warranty lasts or length of time within which you may bring action, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from one jurisdiction to another.

No person, agent, distributor, dealer or company is authorized to change, modify or extend the terms of these warranties in any manner whatsoever. The time within which an action must be commenced to enforce any obligation of Camso arising under this warranty or under any statute or law, is hereby limited to one year from the date you discover or should have discovered the defect. This limitation does not apply to implied warranties arising under the law.
