

WE ARE HERE FOR YOU!

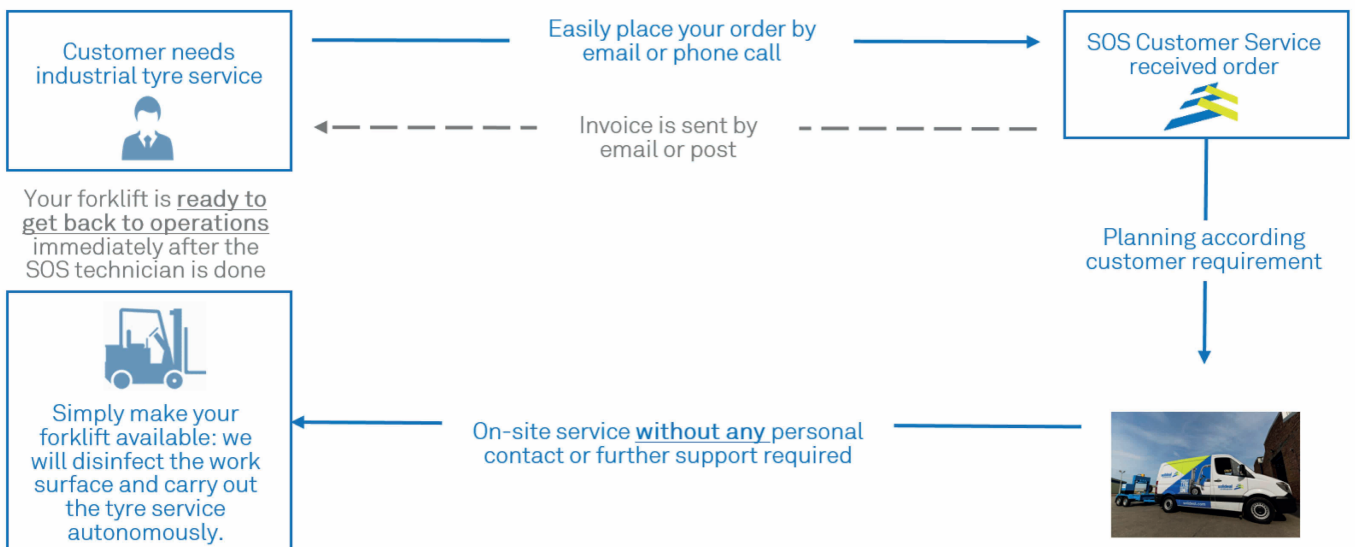

As we are dealing with the current situation, please be assured that we remain dedicated to support all industries that need fast and efficient industrial service.

SAFETY THROUGH CONTACTLESS SERVICE

Contactless Full Forklift Tyre Service

Given the current coronavirus crisis, we have adjusted our processes to keep offering a professional, smooth and safe tyre service to our customers. No personal contact is required and the signing of order documents is suspended for the time being, all social distancing is adhere to. Furthermore, our technicians are working under special hygiene measures. Among other preventive measures, work surfaces are now disinfected.

We're also enforcing contactless ordering and order processing in order to be able to keep your company running in the current situation!

Ready to get you rolling

Select the solution that's right for your needs, and you get custom-made service at the best price per working hour. Our offer includes a timely response, fleet analysis, high-quality tyre products and experienced technicians. And since we have the largest customer base in the industry, we're familiar with all types of industrial tyre use.

Contactless Full Forklift Service

One less thing to worry about with our contactless full tyre service: simply make your order via email or phone call. Just tell us when you would like our mobile service to come to you, ensure that you have your forklift ready at the agreed time, and we'll take care of the complete tyre service. No further on-site support is required. The digital order processing rounds off our contactless and efficient process.

PERSONALISED FORKLIFT TYRE SERVICE

Mobile

Wherever your tyres and forklift are, Solideal on-site service will take care of you. With the largest on-site fleet, we're sure to be nearby. Thanks to specially designed service vans that double as mobile workshops, we offer the most convenient on-site forklift tyre service around. Simply tell us when and where, and we'll take care of everything. Plus we deliver the best-in-class tyre installation service.
