

SOLIDEAL RIB

BY CAMSO

GROUND SUPPORT
EQUIPMENT

ULTIMATE SOLID TIRE FOR BAGGAGE CARTS

Especially designed for low vibration and high cornering capabilities. The Solideal RIB tackles specific ground support equipment challenges like snaking and cupping, and offers low vibration and optimal steering on forklift trucks. It also provides very low rolling resistance for best energy efficiency and enhanced tire life.

CIRCUMFERENTIAL RIBS

- Offers high cornering capability and low vibration
- Prevents snaking and cupping

LOW ROLLING RESISTANCE

- Increases battery life and reduces fuel consumption

EXCELLENT TREAD RUBBER COMPOUND

- Enhances tire performance and life

**ALSO AVAILABLE
IN NON-MARKING COMPOUND**

Remarks

(1) Check rim for size, especially on width, as this should correspond to tirebase marking. Check also max. load of rim with rim manufacturer, as wheel load will be restricted by lowest load capacity, either the one given by the rim or by the tire.

It is possible that certain items are not sold in your region.

Please contact your local sales contact to check tire availability in your region.
