

ICE Cobra 1.6

Model 9244H

Denis Courtemance special edition

This recently launched Cobra track featuring embedded sharp tip lug studs has been named the “Denis Courtemanche Special Edition,” in honor of the longtime Camoplast recreational products director and former Bombardier employee who has devoted 50 years to improving snowmobile track design.

- **Factory pre-studded with the optimal lug height for on/off-trail riding**
- **Cupped lugs for superior acceleration and braking in loose, soft snow conditions**
- **Flexible lug design for superior off-trail performance**
